(2) Almond, peanut, hazelnut, walnut, cashew nut, pekan, brazil nut, walnut, macadamia nut

* Soy lecithin

** May contain traces of soy, nuts, egg and milk

*** Contains alcohol

**** May contain traces of crustaceans, fish, soy and mustard

Be advised, that all dishes are made in an open kitchen, where cross-contamination can't be 100% avoided.

We recommend most of our dishes with Italian hard cheese. It is lactose free, but contains milk protein. Decline Italian hard cheese, if you have milk allergy.
